Please find below a communication from the EXAMINER in charge of this application

1. The communication filed on September 20, 2001 is non-responsive to the prior Office action because it fails to comply with the Sequence Rules. Specifically, no CRF was received by the Scientific and Technical Information Center, though the paper copy of the sequences was filed. Since the response appears to be *bona fide*, but through an apparent oversight or inadvertence failed to provide a complete response, applicant is required to complete the response within a TIME LIMIT of ONE MONTH from the date of this letter or within the time remaining in the response period of the last Office action, whichever is longer. Applicant may elect to either extend the period for response set in the last office action up to a maximum of SIX MONTHS or to extend from this ONE MONTH limit under 37 CFR 1.136 (a) or (b) up to SIX MONTHS from the mailing date of this letter.
